

# Less than 4 Weeks to SMI's 23rd Annual Global MilSatCom Confex in London

*SMi Group reports: Reminder, SMI Group proudly hosts the 23rd Annual Global MilSatCom Confex on 2nd to 4th November 2021 with a Focus Day on 1st November 2021.*

LONDON, LONDON, UNITED KINGDOM, October 6, 2021

/EINPresswire.com/ -- As Europe's leading military communications event for satellite professionals, bringing together 500+ attendees, [Global](#)

[MilSatCom](#) provides an unparalleled opportunity to meet with senior decision makers from defence agencies, militaries, governments and industry from across the globe, providing fantastic interactive opportunities through conference sessions, networking receptions and an exhibition hall.

With briefings from senior officials from the world's leading militaries and solution providers, discussions on key issues such as international SATCOM architectural convergence and flexibility of ground terminals, attendance from many significant MILSATCOM programmes, dedicated exhibition halls, and a whole day on disruptive technology in space, Global MilSatCom will shape the way ahead and provide an unrivalled opportunity for collaboration and partnership.

Interested parties can register for the event at <http://www.globalmilsatcom.com/EINPR6>

The event is taking place in London, UK, attendees have the option to attend virtually with online portal access to the live event.

Added Value: on 1st November 2021, join our [Focus Day on Disruptive Technology](#), covering:

- UK Space Agency Keynote Address
- UK Spaceport Panel Discussion
- Launch Session
- Sustainability Session
- GEO Session

PLUS, the unparalleled networking opportunities at Global MilSatCom include: a pre-conference gala dinner (invitation only) and two evening networking receptions.

Key Presentations from Female Speakers include:

Day 1 Chair: Dr Joanna Hart, Harwell Space Cluster Development Manager, UKRI - STFC

UK MOD: International Relationships are Key

Ms Becky Swanborough, Space International Partnering, Capability C4ISR, UK Strategic Command

French New Satcom Generation
