

Corestack Wins 2021 Cloud Disruptor Stratus Award

CoreStack, a global multi-cloud governance provider, today announced CoreStack winner as Cloud Disruptor in the 2021 Stratus Award for Cloud Computing.

BELLEVUE, WA, UNITED STATES, October 7, 2021 /EINPresswire.com/ -- CoreStack, a global cloud governance provider that empowers enterprises to unleash the power of cloud by enabling continuous and autonomous cloud governance at scale, today announced that The Business Intelligence Group named CoreStack winner as Cloud Disruptor in the 2021 Stratus Award for Cloud Computing in their annual business award program.

“

This award recognizes the great work our teams have put into creating a NextGen cloud governance platform that enables enterprises to achieve continuous and autonomous cloud governance at scale”

Bala Vishwanath, Chief Marketing Officer, CoreStack

The Business Intelligence Group sought to identify the companies, products and people that are offering unique solutions that take advantage of cloud technologies.

CoreStack provides AI-powered multi-cloud governance solution that enables enterprises to effectively manage their FinOps, SecOps and CloudOps to decrease cloud costs while increasing operational efficiencies by governing cloud operations, security, cost, access, and resources, as well as assuring 100% cloud compliance with standards such as ISO, FedRAMP, NIST, HIPAA, PCI-DSS, AWS CIS & AWS Well Architected Framework. CoreStack’s AI and rule-based automation capabilities promise more lean,

efficient, and seamless execution of operations. Clients can expect to implement new streamlined workflows with standardized and automated processes that avoid manual intervention errors.

“This award recognizes the great work our teams have put into creating a NextGen cloud

governance platform that enables continuous and autonomous cloud governance at scale,” said Bala Vishwanath, Chief Marketing Officer at CoreStack. “We are proud that the work we are doing is transforming the way enterprises are unlocking the power of cloud through operational efficiencies, cost optimization, security and compliance. We are thrilled that our work is recognized, and we will continue with our relentless drive to help our customers and partners unleash the power of cloud on their terms.”

“CoreStack is at the forefront of the cloud helping to drive practical innovations in the cloud,” said Maria Jimenez, Chief Nominations Officer of Business Intelligence Group. “The cloud is now part of the fabric of our personal and professional lives, and we are thrilled that our volunteer judges were able to help promote all of these innovative services, organizations and executives.”
