

# Key Case Studies to be presented at SMi's 19th Annual Benelux Infrastructure Virtual Forum

*SMi Group reports: 19th Annual Benelux Infrastructure Virtual Forum will feature key case studies from major projects in the region*

AMSTERDAM, NETHERLANDS , October 7, 2021 /EINPresswire.com/ -- Through discussing specific case studies and highlighting the challenges of coordinating and operating an Infrastructure project in the region from the perspective of all involved, constructors, banks, financiers, lawyers, regulators, and consultants. [The forum will provide insight](#) into the new technologies and financing options available to get the best out of each project.

## [Benelux Infrastructure Virtual Forum](#)

two-day programme aims to provide information on current and future infrastructure projects, investment opportunities and explore new financing mechanism that are driving investment in the Benelux region. Benelux Infrastructure will convene on 17th and 18th November 2021 as a virtual conference with online access only.

Interested parties can register, visit <http://www.beneluxconf.com/EINPR3>

A key benefit of this year's programme is that you will be presented with several case study updates from major projects in the region: including offshore winds, geothermal projects, PPP, and infrastructure schemes.

The key case studies that will be feature during the conference are:

The poster features a blue background with a white wind turbine in the center. In the top right corner, the SMi logo is displayed with the tagline 'LINKING BUSINESS with INFORMATION'. The main title 'SMi's 19th Annual Benelux Infrastructure Virtual Forum' is written in large, bold, yellow-green letters. Below the title, it says 'Virtual Conference: Online Access Only'. A dark blue box on the right contains the dates '17-18 Nov 2021'. A white text box in the center reads 'Exploring new financing mechanisms and alternative markets for future investment'. At the bottom, the website 'www.beneluxconf.com' is listed in yellow-green, and the hashtag '#SMiBenelux' is in the bottom right corner. The background also shows a modern building and a smaller building.

1. Geothermal Energy in Belgium and the Netherlands  
Toon van Ingelghem, Senior Investment Manager, PMV

2. The impact of climate change and pandemics on infrastructure investments  
François-Yves Gaudeul, Director, Infrastructure Debt, Allianz Global Investors

3. Energy Transition in Belgium: increase in offshore wind capacity  
Mathias Verkest, Project Manager - Mermaid Offshore Wind Farm, Otary

4. Adaptation Projects
