

National Command & Staff College Secures Graduate Level College Recommendation From American Council on Education (ACE)

*National Command & Staff College
Secures Graduate Level College Transfer
Recommendation from ACE*

HOLLY SPRINGS, NC, UNITED STATES,
October 11, 2021 /EINPresswire.com/ --
The National Command & Staff College
/ dba International Academy of Public
Safety secures 6 hours of Graduate
Level College Recommendation for its
"Command and Staff Leadership"
Program from the American Council on
Education (ACE).

The Command & Staff Program will prepare you as part of the vanguard of today's professional policing leaders. You will learn practical skills and tools to succeed in an ever-changing dynamic environment. The class focuses on effectively resolving the challenges of an accomplished career. This session of your professional development is a blended learning experience of on-line and classroom instruction complemented to enhance your learning. Graduates of the program will leave with new colleagues, an array a diverse of faculty from which the student can continue to consult, and ways to act ahead of change to create an optimistic future for law enforcement and the communities they serve. The long-term goal of the program is to add to the leadership skill sets of each participant; it also intends to contribute to the body of knowledge of law enforcement through the completion of significant foresight-based research.

“

We are very pleased to secure this prestigious accreditation from the American Council on Education (ACE) for our Advanced Leadership Program.”

*Dr. Anthony H. Normore,
President, National Command
& Staff College*

Program Objective Adopted by ACE: The course objective is to improve leadership capability through creating more self-aware leaders, including intentionally deeper investments in the

human domain and aligning mission and values. Graduates will be leaders and mentors for their agency personnel, dedicated to personal and professional growth, committed to promoting open communication, shared values, and focused on mission accomplishment.
