Appalachia Technologies Ranks 209 in the Top 250 MSSPs Worldwide

Appalachia Technologies was named a Top 250 MSSP for 2021 by MSSP Alert – a news & research resource for Managed Security Services Providers (MSSPs).

MECHANICSBURG, PA, US, October 11, 2021 /EINPresswire.com/ -- Mechanicsburg, PA, September 16, 2021: Today, Appalachia Technologies, a Managed IT and Cybersecurity Provider, was named a Top 250 MSSP for 2021 by [MSSP Alert](#) – a news & research resource for Managed Security Services Providers (MSSPs). The list tracks the world's top managed security services providers.

> "This achievement supports the direction and focus of our company. We have fully invested in our cybersecurity practice with our people, processes, and technologies."
>
> *Terri Bendl*

•Business growth rate
•Cyber professional headcount
•Managed security services offered

In a [webcast](#) revealing the rankings, Appalachia Technologies was highlighted – with a mention of their acquisition of Stronghold Cyber Security in 2020 and their Compliance Readiness Assessments and Remediation Services.

Metrics considered in ranking the companies includes:
•Annual recurring revenues from managed security services
•Profitability

In a prepared statement, Terri Bendl, Director of Sales & Marketing said: "This achievement supports the direction and focus of our company. We have fully invested in our cybersecurity practice with our people, processes, and technologies." Appalachia leverages the #1 ranked MSSP tools – AT&T Cybersecurity as part of their Managed Cybersecurity (Soc-as-a-Service) offering.
