*An Impressive lineup of speakers discussing the future of global energy systems and the solutions capable of delivering a net-zero for today and tomorrow*

RICHMOND, BRITISH COLUMBIA, CANADA, October 11, 2021  
[/EINPresswire.com/](https://EINPresswire.com/) -- [ZE PowerGroup](https://ZE PowerGroup Inc.)

Inc. (ZE), a renowned technology company in the end-to-end data management and analytics world, invites the audience to join a virtual global event on “Energy Transition: The Good, The Bad, The Ugly, and The Reality”.

This event will be divided into two half-day sessions and is free to attend. There will be open panel discussions and thought leadership presentations for energy, mining, shipping, and commodities markets, highlighting the impact of energy transition on organizations.

ZE has proposed an excellent agenda for the sessions. Throughout the event, subject matter experts will tackle various action-packed topics, including “Hydrogen and Energy Transition,” “Managing Risk for Energy Transition and Building Resilience,” “New Fuels for the Future,” “Carbon Markets, “Collaboration Strategies for Energy Transition,” Pricing and Credits,” and “Technology Trends for Energy Transition”.

For the Global Tech Summit 2021, ZE is excited to host keynote speakers from:
