

China Citric Acid Market Research Report 2021-26, Industry Size, Price Trends and Forecast

SHERIDAN, WYOMING, UNITED STATES, October 12, 2021 /EINPresswire.com/ -- According to the latest report by IMARC Group, titled, "[China Citric Acid Market : Industry Trends, Share, Size, Growth, Opportunity and Forecast 2021-2026](#)", The China citric acid market is expected to grow at a CAGR of X% during 2021-2026

Citric acid refers to a weak organic tricarboxylic acid that is generally found in various citrus fruits, such as lemon, oranges, grapefruits, etc. Soluble in water, dimethyl sulfoxide, alcohol, and ethyl acetate, it is widely used in the [food](#) industry as a flavoring and preserving agent. Citric acid is utilized for numerous industrial purposes, including providing pH adjustment, manufacturing medicines and personal care products, controlling the growth of microorganisms, etc. Besides this, it is also used in the formulation of different [drugs](#) and health supplements as it aids in enhancing metabolism and improving nutrient absorption in the body.

China Citric Acid Market

As the novel coronavirus (COVID-19) crisis takes over the world, we are continuously tracking the changes in the markets, as well as the industry behaviours of the consumers globally and our estimates about the latest market trends and forecasts are being done after considering the impact of this pandemic.

China Citric Acid Market Trends:

The expanding pharmaceutical industry and rising M&A activities by several key manufacturers to create various growth opportunities are driving the China citric acid market. Apart from this, the growing adoption of citric acid in household cleaners, including detergents, dish soaps, rust

remover products, etc., is further propelling the market growth. Additionally, expanding product demand as an additive in the food and beverage sector, along with the rising inclination towards processed and ready-to-eat foods, is also anticipated to bolster the China citric acid market over the forecasted period.
