

NEW TALK SHOW SMASHES CULTURAL STIGMAS

Emmy Nominated Host & Producer Rasha Goel asks tough questions of South Asian American women who once suffered in silence

LOS ANGELES, CALIFORNIA, UNITED STATES, October 12, 2021 /EINPresswire.com/ -- — respected International Correspondent Rasha Goel unveils her talk show [Raw with Rasha](#) which premieres on Tuesday, October 12, 2021 at 5:00PM on TV ASIA.

This groundbreaking series shatters traditional beliefs held by South Asian American women and their families, providing the space for open dialogue to discuss real life issues.

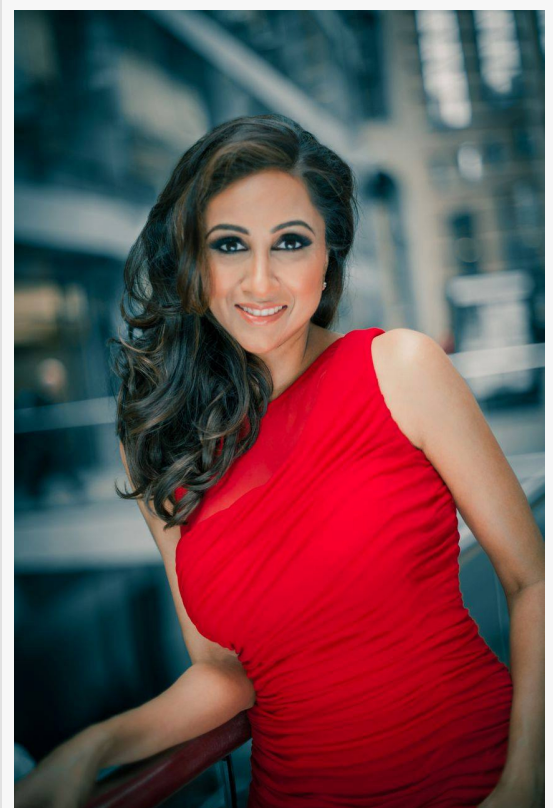

Raw with Rasha gives a voice to those who may feel alone and isolated in the Indian American community. This is familiar territory for Rasha. When her 12-year marriage to an Indian man ended in divorce, she was shunned by her community. The loneliness and emotional conflict that followed were devastating. She decided to do something about it.

Rasha states: "When you address what's really going on behind the scenes, you get to the root of the pain, unveiling the core issue that helps us understand each other and heal as a community."

With Raw with Rasha, expect the unexpected. Expect the real. Expect the truth.
