“We have worked to maintain our positive and inclusive culture as we’ve grown nationally. It’s important that our franchise partners feel like they’re a part of our extended team as they focus on providing superior service to their customers.”

the superior back-end support of captive models. Ten years later, We Insure has partnerships with the top carriers, and agents have access to more than 100 total markets, to provide customers with the ultimate experience of choice and lower rates. The company has deeply invested in state-of-the-art support systems and IT infrastructure to provide agents with seamless servicing so they can focus on developing customer relationships.

We Insure was recently identified by independent research firm Franchise Business Review (FBR) as one of the Top 100 Low-cost Franchises in 2020 and as one of the Top 200 Best Franchises to Buy in 2021. FBR's recognition was based on franchisee satisfaction rankings.
