Mr. Can Ongen brings over 25 years of global leadership experience in medical devices, surgical implants, capital equipment, consumers, and pharmaceuticals, having served in senior executive global commercial and

marketing roles for Alcon and Galderma. In his recent role as Vice President International Markets at Galderma (formerly known as Nestlé Skin Health), Mr. Ongen was one of the key executive players to turn around the company and ensure its successful sale to a private equity firm. Previously, his eye care expertise was established over 20 years in several global leadership roles with eye care company, Alcon.

"We are delighted to welcome Mr. Ongen to our Board of Directors," said Mr. Dr. Ercan Varlibas, Chairman of the Board of Evmann. "Ongen's deep experience in high-technology global businesses with multi-culture and diversity will be invaluable to Evmann as we grow our business and pursue our mission to serve health care professionals, patients and consumers."

"Mr. Ongen brings the perfect combination of proven leadership and management skills, a deep understanding of the eye care and medical device industries and a global perspective. He will be

tremendous assets to Evmann as we further our strategic mission of being a unicorn company” added Mr. Dr Ercan Varlibas.

On his appointment, Mr. Ongen commented, “I am excited to join the Board of Evmann as they further develop their global vision with innovative products. I look forward to contributing to the company’s sustainable growth strategy through serving doctors, patients and consumers.”
