With a new music video on the way, Kee Valid is giving fans relatable music with lyrics and beats that keep them coming back for more.

HARTFORD, CONNECTICUT, UNITED STATES, October 13, 2021

/EINPresswire.com/ -- Kee Valid’s new album “[Shauny](#)” further adds to the fabric of experience his already released songs provide. The new tracks deliberately have high energy trap beats infused with jarring lyricism, creating an aura of versatility and a memorable hip hop experience the mainstream genre often lacks.

The artist’s upcoming music video is no short of the diamond sharp standard already set by the songs within the album. Revolving around ear-catching melodies and rhythms, the album is built on the foundation of raw, mature, and triumphing production. Such a record is hard to forget but easy listen and come back to, for yet another listen- finding undiscovered facets at each new listen.

“Shauny” structures itself with 10 tracks by himself that speak for themselves at first but form a collective narrative towards the end. The refreshing and lively new album relaxes listeners desperate for an escape from the issues evolving around the world today, providing a blend of bars and an aura of chill in the record’s heavy production that only hip hop giants can perfect.

The Hartford, Connecticut-based artist’s newest release, “Shawny” invites listeners to take themselves on a unique journey of admirable hustle and daunting barriers which he wishes to sprint over.
