

Stakeholders Summary of a Sleeping Giant Alterola Biotech, Inc (OTC:ABTI)

WEST PALM BEACH, FLORIDA, UNITED STATES, October 13, 2021 /EINPresswire.com/ -- Mina Mar Group www.minamargroup.com a mergers and acquisitions firm (M&A) research team discovered a new gem and

outstanding potential back in July 2021 which sits hidden at <u>Alterola Biotech – ABTI</u>. <u>https://www.otcmarkets.com/stock/ABTI/profile</u>

Back in June 2021 along with ABTI 10Q filings ABTI announced the business direction change which was supported by the most recent 8K which reflects the management change as well with Mr. Seamus McAuley acting as a CEO

ABTI Pharma Ltd is a UK-based pharmaceutical company developing cannabinoid, cannabinoid-like, and non- cannabinoid pharmaceutical active pharmaceutical ingredients (APIs), pharmaceutical medicines made from cannabinoid, cannabinoid-like, and non-cannabinoid APIs and targeting European novel food approval of cannabinoid-based, cannabinoid-like and non-cannabinoid ingredients and products. In addition, the company is seeking to develop such bulk ingredients for supply into the cosmetic sector.

Significant information that proved our sense that ABTI is a true hidden gem is the fact that they have entered into a Common Stock Purchase Agreement and a Registration Rights Agreement with EMC2 Capital, LLC where Buyer agreed to invest up to One Hundred Million Dollars into the ABTI. Source:
