

Manuel Peña of Peña Architecture and Engineering Corp. Expands Internationally

Manuel Peña Since founding Peña Architecture and Engineering Corp. in 2012, has been instrumental in the United States.

AVENTURA, FL, UNITED STATES,
October 14, 2021 /EINPresswire.com/ --

[Peña Architecture](#) and Engineering Corp. is a team of highly experienced and talented dedicated to providing excellence in design and planning services for your construction development projects around the world. We work with many [successful businesses](#) and successful entrepreneurs around the world we specialize in providing for landscape, single-family, multi-family, and custom homes; also commercial, industrial, and mixed-use developments. We combine simplicity with luxury. Furthermore, we create personal spaces that are challenging, yet engaging. Color, texture, light, and proportions come together as well as arranged to design the perfect expression of your ideas. Has earned crowning achievements in architectural design.

“

Ideas begin here.”

Manuel Peña

As the company collaborates with diverse business and

entrepreneurial clientele around the world, they maintain the goal of creating personal spaces that are challenging yet engaging. The aesthetic elements, the feng shui, the color, and the energy they exude are all important elements of [Manuel's](#) architectural feats. “Yes, architecture and design are science, but, really, truly, they are an art,” he muses. Making him one of the most fruitful entrepreneurs under the age of 40 in his field. Manuel is a well-organized and creative architect with successful national business experience in the design and construction industry. His skills in architectural design, project, and construction management, office and team building, client relations, and public speaking have allowed him and his company to flourish.
