About [Hygentech / MYHI]

Hygentech is committed to becoming the worldwide leader in innovating and delivering high-quality and dependable hygiene solutions to keep people safe in public places. As evidenced by COVID-19; there is an urgent need for innovation in hygiene technologies, the world needs better products that have essentially been unchanged since the 1918 flu. Every school, office and public place needs a dependable source of high-quality hygiene solutions; too many vendors have sold poor products and have not been dependable. We exist to solve both innovation and

dependability; to help keep people safe and allow the world to operate and thrive.
