might turn out to be financial compensation that exceeds \$100,000. A compensation claim like this does not involve suing the navy and it does not matter if the person smoked cigarettes.

"As attorney Erik Karst of Karst von Oiste would like to explain to a Navy Veteran who prior to 1982 had significant exposure to asbestos and who now has lung cancer is---the \$30 billion dollar-asbestos trust funds were set up for a person exactly like this.

"If your husband or dad is a Navy Veteran in Utah or anywhere in the USA who has just been diagnosed with lung cancer and he had heavy to extreme exposure to asbestos in the navy or at work prior to 1982 please call attorney Erik Karst of the law firm of Karst von Oiste at 800-714-0303. We think you will be glad you did." www.karstvonoiste.com/

High-risk work groups for exposure to asbestos in Utah include US Navy Veterans, a civilian employee at Hill Air Force Base, a worker at one of Utah's power plants, oil refinery workers, public utility workers, plumbers, electricians, auto mechanics, welders, insulators, machinists, or construction workers. In most instances, a diagnosed person with mesothelioma was exposed to asbestos in the 1950's, 1960's, 1970's, or 1980's. www.karstvonoiste.com

The US Navy Veterans Lung Cancer Advocate says, "If your husband, dad, coworker or neighbor has just been diagnosed with lung cancer and you know they had significant exposure to asbestos in the navy, at a shipyard or while working at a factory, at power plant, public utility, or as a plumber, electrician welder, mechanic or any kind of skilled trades group in any state please have them call us anytime at 800-714-0303. Most people like this never get compensated-even though the asbestos trust funds were set up for them too. We are trying to change this sad fact."
