DETROIT, MI, UNITED STATES, October 14, 2021 /EINPresswire.com/ -- National Veterans Business Development Council is excited to welcome Dallas, Texas-based [Veterans Grow America](#) to the Military and Veterans Organization Task Force. Veterans Grow America provides a forum for Veteran and Military Spouse owned businesses to showcase their products to increase brand awareness. They conduct local events and marketing programs on military installations across the United States to increase engagement with the veteran business community. A national movement that helps veteran businesses get the resources and support needed to succeed.

Primary role of the MVO Task Force is to focus on pursuing and achieving tactical and strategic objectives by partnering with organizations having equal goals to help Veteran Businesses.

"Our relationship with the Army & Air Force Exchange Service allows us to provide a platform for Veteran and Military spouse small businesses owners at our Veteran Business Expos. The expos spotlight their product to the Veterans, military and civilian personnel who live, shop, or work at the installation."

"We look forward to our relationship with the NVBDC, through the Task Force, to bring value and new opportunities to our members, and the NVBDC expertise to provide resources to the small businesses we work with at our expos," stated Kendrick Mobley, founder of Veterans Grow America.
