

# Capital City Nurses Launches New Website

*Capital City Nurses providing in-home care services for over 45 years have not only changed the look and feel of the site but improved the content too.*

CHEVY CHASE, MD, UNITED STATES, October 18, 2021 /EINPresswire.com/ -- [Capital City Nurses](#) is excited to

announce they have recently updated their company website. Their website aims to provide visitors across Maryland, Washington DC, and northern Virginia guidance and key information around [in-home care services](#).

Capital City Nurses, who have been providing in-home care services for over 45 years have not only changed the look and feel of the site but improved the content too. The new website looks to simplify the entire process for the visitor, whether they are looking for in-home care services for themselves or a loved one. The site is a filled with great content and is a source of valuable information that will help ensure visitors are able to make informed decisions around their care journey. They ensure their clients understand the services they offer and their staff's qualifications to give them the high-quality care they deserve.

Capital City Nurses is a recognized as a 'Trusted Provider' for the last two years by Home Care Pulse, ensuring clients have the in-home care they require to stay safe and healthy as they age in place. The professional staff understands the challenges families face when caring for elderly family members and strives to provide the relief they need. The new website aims to make it as easy as possible for families to make the best decisions for their aging family members.

Anyone interested in learning about the new website can find out more by visiting the Capital City Nurses website or by calling 1-866-807-7307.
