his company at www.ColoringBook.com. He has increased the product line to greeting cards, place-mats, hard back books, biographies, downtown maps, notebooks, school supplies and

Holiday Coloring Books are a huge hit for retail and consumer direct.

on. Topics off the table that Bell will never publish for are; extremists groups or simply, "inappropriate or mean people" as he put it. Coloring Books are a huge hit with families, great wholesome quality in home entertainment.

During this pandemic, with hundred of ships, millions of containers and a complete shortage of numerous products, Bell's coloring book company is working overtime. Their company is filling orders to [thousands of mom and pop shops in North America](#), major retailers, schools, churches, businesses, industry promo shops and direct to consumer homes like never before. People find

products for anyone that needs an ink and paper product. Says Bell, "When I made my first coloring book 40 years ago, I was not thinking of a career, much less even starting a company. The internet was not even created yet and selling books was truly, albeit successful, a door to door adventure.

The publishing companies various educational books range in size from 5.5 x 8.5 inches, to 8.5 x 11 and larger like 11 x 17 sized, up to 17 wide and 22 inches tall. All manufactured in St. Louis, MO. The books retail from 1.99 to 8.99 and cover about every conceivable topic. Through fun activities like matching, nice coloring pages all reviewed and approved by educators, with QR codes and more, the interactive coloring books are both entertaining and educational. His approach to publishing is like teaching, the company captures the imagination, the creativity of small children, students, even parents and grandparents. It helps them become excited to learn about the many topics. Approved by teachers and educators, the line of coloring and activity books are great gifts for families, consumer, school, student or classroom.
