

## AUTHOR MYRON EDWARDS RELEASES THIRD BOOK IN SERIES IN LATE OCTOBER

*Julie's Odyssey: Alpha and Omega can be pre-ordered on Amazon*

UNITED STATES, October 14, 2021 /EINPresswire.com/ -- Author Myron Edwards, who penned *Mistress of the Rock* and *Scylla: The Revenge*, is slated to release the third book in this series, *Julie's Odyssey: Alpha and Omega*.

Scheduled for late October, the book may be preordered on Amazon in the U.S., U.K., and Canada as well as other markets worldwide. Print books will be available through Amazon and RockHill Publishing soon.

Edwards stated that he never imagined his story would evolve into such a wonderful series.

"I thought that *Mistress of the Rock* would be a one-off book," Edwards said. "It was only due to sheer chance that I developed *Scylla: The Revenge*, having read about a mysterious Cryptid that is said to live in the seas around Ayia Napa. I began to plot a sequel as the idea of revenge became the motive for the second book."

The concept for *Julie's Odyssey* carries on from here, Edwards explained. He stated that the characters developed their own personalities, as well as Julie, embarks on a quest to discover the truth of what happened to her husband.

"The book takes on a different stance, as Julie becomes the central character. This requires her to engage in a journey that will not only endanger her life, family, and Richard but her very soul. This one is much darker because it involves the ancient world far more than the previous ones," Edwards said.

Most of all, Edwards is pleased that this story could be a stand-alone book or movie.

"As it is full of action and surprises as well as legends that some people may not remember," he said. "It's a story about a housewife and mother who does not believe what she has been told

and who needs to discover the truth for herself. To do this she will go to Hell and back.”
