The Fallen Outdoors mission is to organize outdoor adventures for veterans past and present, from every generation and from all branches of the military. Our aim is to connect Soldiers, Airmen, Sailors, and Marines with like-minded individuals along with teaching them a skill and passion they can continue for a lifetime. The Fallen Outdoors began in 2009 at a remote outpost in Afghanistan with three soldiers; SSG John Bates, Spc Eric Finniginamm and Spc Eric Bakken. Year after year The Fallen Outdoors (TFO) grew and expanded, they put in every extra second they had while on active duty. Today the TFO serves thousands of veterans a year across this great nation. What started off as a simple idea to help veterans get outdoors has transformed into a lifestyle that the TFO nation lives and breathes every day.
