## About Fazzaco

Fazzaco is a pioneer B2B forex platform which has achieved remarkable results since its launch 2 years ago. The recent addition of "[Companies](#)" feature to its App allows firms across the FX trading ecosystem, including but not limited to forex brokers, fintech companies, and solution providers, to register and claim their companies at Fazzaco, which will significantly help improve their brand exposure worldwide. The new feature, along with the existing ones, make Fazzaco the best platform for industry firms to find the right partners they need.

To support the vision of connecting global FX business, Fazzaco has created valuable contents, including:

Up-to-date news, reports, press release, executive moves, regulatory framework, CRM services, plugins, and trading statistics;

Impartial rankings, comments, and ratings;

Impartial rankings, comments, and ratings;

Lists of 1,700+ companies in 18 categories across the forex industry;

In-depth and insight-provoking articles and interviews;

Product comparison and assessment;

24x6 tech support; and

Language support in simplified Chinese, traditional Chinese and English.

As a high-quality source of information, the innovative Fazzaco App registered an all-time high in downloads in the previous two months. Furthermore, Fazzao has recently partnered with BrokersShow and Forexway to help promote brands globally.
