

James Klobucar, Esq. Named Partner at Gearhart Law

SUMMIT, NEW JERSEY, USA, October 19, 2021 /EINPresswire.com/ -- Gearhart Law, an Intellectual Property law firm based in New Jersey, is pleased to announce the promotion of James Klobucar, Esq. to the position of partner with the firm. Gearhart Law has over 30 years of experience dedicated to Intellectual Property and Patent law and related litigation both nationally and internationally.

James Klobucar, Esq., is the firm's Chair for the Consumer and Design Patents Group. As such, James is responsible for overseeing the consumer and design patent practice group as well as keeping the firm up to date on international and domestic rule changes on these topics. He routinely consults and advises clients on patent portfolio management strategies and valuations, provides litigation support, and assists in filing and prosecuting patent, trademark and copyright applications. To date he has drafted hundreds of patent applications and trademark applications and worked with clients ranging from individual inventors to large international corporate entities.

"We are delighted to have James become a partner with the firm. James has shown himself to be an exceptional trademark and [patent attorney](#). His work with design patents stands out as the best in the business," said Richard Gearhart, the firm's Founding Partner.

James completed his undergraduate studies at Cornell College double majoring in Biochemistry & Molecular Biology and Chemistry. While his background has steered him towards life science/chemical patents (notably formulation chemistry and small molecules), he is also proficient in working with patents involving consumer products and electronic devices, namely wireless communication devices.
