\$100
BUYS YOU A 1 IN 2,500
CHANCE AT THE CAR!

The car to be raffled: 2021 LEXUS LC 500 CONVERTIBLE

October 19, 2021 NAPERVILLE, Ill. – For the second year in a row, Turning Pointe Autism Foundation is thrilled to announce that due to the generosity of a local business, they are able to once again host a raffle for a luxury sports car. Last year the Foundation raised vital funds to complete three sensory rooms, an Occupational Therapy gym and an additional classroom from a successful raffle of a Corvette Stingray courtesy of Chevy of Naperville. This year, thanks to [Lexus of Naperville](#), supporters of Turning Pointe will have the chance to win a 2021 Lexus LC 500 Convertible.

“

We hope car enthusiasts, those who love to support autism, and anyone just interested in taking a chance will buy a ticket for the raffle so Turning Pointe can continue providing services.”
Carrie Provenzale

Restrictions due to Covid are still presenting challenges for families who depend on Turning Pointe to help care for loved ones affected by autism. Lexus of Naperville has made it possible for Turning Pointe to raffle off a Lexus LC 500 Convertible to raise the funds to continue providing services so many depend on. Illinois residents can now

secure a 1 in 2500 chance to win the car by purchasing a \$100 ticket, which will be drawn on December 3, 2020 at Lexus of Naperville.

Over the last year and a half, Turning Pointe has reinvented their education curriculum, offering new services including educational and sensory related care packages, outdoor activities and tele-health to ensure meaningful and impactful programming. These shifts, combined with ongoing improvement projects to the property and the cancellation of fundraising events, continue to result in devastating gaps in Turning Pointe’s budget. Last year's raffle made a huge

impact on this, and Executive Director Carrie Provenzale is hoping for similar results this year, stating "The funds raised from last year's raffle was a game changer for the Foundation, and we have our community to thank. We hope all car enthusiasts, those who love to support neighbors with autism, and anyone just interested in taking a chance will buy a ticket for the raffle. With the community's renewed support, the Foundation can continue to provide vital services to families in the Chicagoland area."

To support this important work and for a chance to win a 2021 Lexus LC 500 Convertible, or to see official rules, visit Turning Pointe's website. You can see the exact prize car by visiting Lexus of Naperville until 12/2/2021. Only 2500 tickets will be sold and you can see the winning name pulled live, December 3rd from the dealership. More details will be announced, and for up-to-the-minute updates please visit our Facebook page. Good Luck!

Turning Pointe Autism Foundation is a 501c3 nonprofit founded to create opportunities and programs to educate individuals with autism through proven interventions to increase independence, encourage meaningful lifelong pursuits and enrich the community at large.
