

# Yottled Launches All-In-One Scheduling Software for Small Business

*Yottled, an all-in-one scheduling software for small business, launched their product to help save 20 hours per week while also increasing sales by at least 29%*

ANN ARBOR, MICHIGAN, UNITED STATES, October 20, 2021 /EINPresswire.com/ -- Yottled, an all-in-one scheduling software for small business, launched their product today to help small businesses save 20 hours per week while also increasing sales by at least 29%.

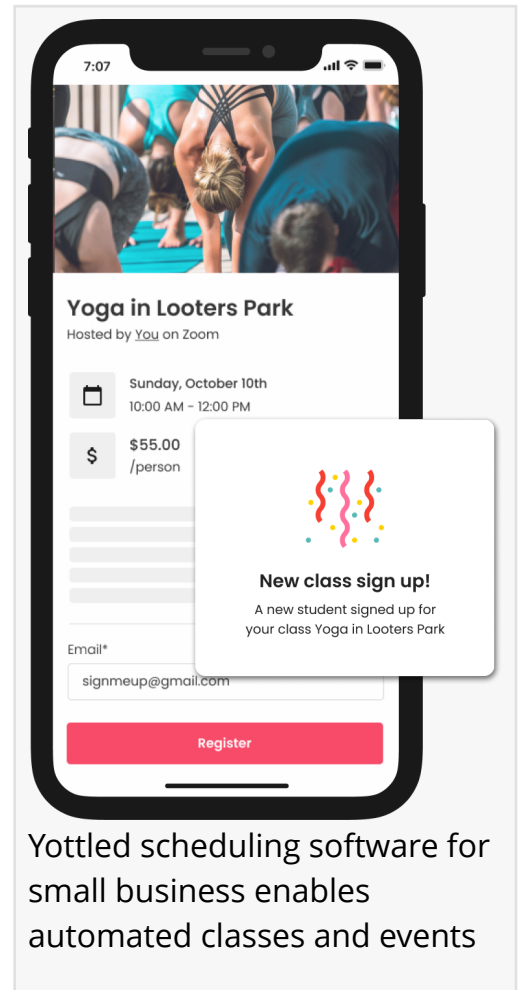

Yottled's scheduling software provides an all-in-one approach for small businesses that operate in service industries. Starting with a website, Yottled's revolutionary software helps companies [manage their clients](#), communicate with customers, facilitate payments, advertise their services, host classes and events, and automate scheduling. All with a single tool.

Sales can increase by at least 29% using a platform like Yottled. Further, Yottled customers have shown to save 20 hours per week by using Yottled's all-in-one approach.

"Since the beginning of the year, we've more than doubled the number of transactions we're facilitating on behalf of our customers each quarter," Yottled CEO Trevor Hough said. "Small businesses are excited to have everything in one place in a simple, easy to use software."

[The primary reason for growth?](#) Easy to use software backed by a team that cares. "Yottled's user-friendly platform eliminates the need for multiple apps. The simple approach to technology makes it easy for you to get up and running. Yottled will take care of your business. They care about you," says Tim Faucette of TF Fitness.

Yottled has focused on establishing community partnerships to help it scale its scheduling software for small businesses. As an example, the [Functional Aging Institute](#) and Black Business
