

San Joaquin Valley Homes and Presidio Residential Capital Close on Land in Visalia, Calif.

Central Valley Developer Will Build 94 Single-Family Homes

VISALIA, CALIFORNIA, UNITED STATES, October 25, 2021 /EINPresswire.com/ -- [San Joaquin Valley Homes](#) (SVJ Homes) and [Presidio Residential Capital](#) closed on land in southeast Visalia, Calif., in Tulare County, where they will build a new single family, detached home community called Vista del Sol. Located at the southeast corner of K Avenue and Pinkham Street between Ben Maddox Parkway and Sleeves Lane, construction is slated to begin in the fall of 2021 with the first homes released for sale in the second quarter of 2022.

“Visalia is a very popular place to live – especially for first time buyers – yet inventory remains low,” said Danny Garcia, vice president of sales at SVJ Homes. “We’re building more homes here to keep up with this demand. We love being able to get people into their first home.”

Vista del Sol will primarily feature all single-story homes with six distinct floor plans ranging from 1,443 to 2,225 square feet built on average lot sizes of 6,800 square feet. Some lots are oversized and situated in family friendly cul de sac locations. Homes have nine-foot ceilings, three to four bedrooms, two to 2.5 baths and two- and three-car garages. One floorplan has a loft that can be left as is or transformed into a fifth bedroom and third bathroom.

Exteriors are designed to represent Tuscan, Mediterranean and Craftsman styles, and each
