“I am so proud of the PFCU team members that donated and collected food on CU Kind Day for such a great cause,”

said Mary Ann Pusateri, CEO of Partnership Financial Credit Union.

“Typically, our annual volunteer project is a group outing, however, because of Covid-19 concerns, we decided to have our employees bring in food and asked members to do the same. Both employees and members came through big time. As an organization, PFCU is committed to giving back to our communities and encouraging our team members to do the same. We look forward to many more opportunities to help make a difference in the communities we serve!”

Partnership Financial Credit Union is open to the community with branches in Barrington, Des Plaines, Evanston, Franklin Park, Glenview, Morton Grove and River Grove at Triton College. PFCU formed in 2014 when four Chicago-area credit unions merged. With origins dating back to the 1950s, PFCU remains dedicated to maintaining close, personal relationships with members while delivering the best possible products and services. Along with CEO Mary Ann Pusateri's long tenure of over 33 years, PFCU has many team members with 20-plus years of service with the credit union.
