Folks visit this Pink City as it is called for a myriad of reasons – literary festivals, museums, landscape and color, tourism, musical roots, rich historical and cultural heritage - as well as many shows and movies that are set here. But Jaipur is also known for its unique gems and treasures to shop for. The Kota fabric and the bandhini and leheriya designs are iconic to [Jaipur shopping](#). Meenakari jewellery designs bring royalty back to the present. Jaipur shopping is all about exotic bridal wear, soft cotton fabrics, gems and jewellery, and handicrafts. Jaipuri carpets and colorful patchwork quilts are one-of-a-kind treasures.

While online shopping is convenient, it doesn't replace the experience of taking in the smells and sights of wandering through alleys trying to find that local craft and maybe talking to the artisan who made it. That is what makes experiencing a city full of color. It can be exhausting trying to figure out where to shop for all of these unique items, let alone find out about what is unique to Jaipur. For example, the jeweller's market, aka Johari Bazar offers the best place in Jaipur for those interested in silver jewellery, rubies, garnets, emeralds, bangles.

Shopkhoj (www.shopkhoj.com) gives you easy access to all this information at your fingertips. www.shopkhoj.com/jaipur provides information on this historic city, the best shopping markets and bazaars, and the best products to buy.
