Specializing in insurance planning and financial strategies, Agency Owner Alexander Benedict believes strongly in a full-service approach that ensures clients are adequately protected when it comes to any uncertainties they may encounter.

“We like the full-scale approach that We Insure offers to their franchise partners,” Benedict says. “We wanted to be part of a team that we could grow with on a national scale, and we value the robust infrastructure We Insure provides.”

We Insure is experiencing high demand from entrepreneurs for its innovative franchise insurance offering. The Florida-based company was created by a former captive agent with a mission to tackle the insurance industry’s biggest challenges. Philip Visali, CEO of We Insure, accomplished this by bringing together the best in choice from independent agencies along with the superior back-end support of captive models. Ten years later, We Insure has partnerships with the top carriers, and agents have access to more than 150 total markets, to provide customers with the ultimate experience of choice and lower rates. The company has deeply invested in state-of-the-art support systems and IT infrastructure to provide agents with seamless servicing so they can focus on developing customer relationships.

We Insure was recently identified by independent research firm Franchise Business Review (FBR) as one of the Top 100 Low-cost Franchises in 2020 and as one of the Top 200 Best Franchises to Buy in 2021. FBR's recognition was based on franchisee satisfaction rankings.
