

# Total ABA Announces Free Customer Training Webinars

*Total ABA, a leader in Behavioral Health software solutions, announces the implementation of open, live training webinars to enhance the customer experience.*

CARLSBAD, CA, UNITED STATES, October 21, 2021 /EINPresswire.com/ -- Built on the Salesforce platform, Total ABA is the preferred Practice Management, Data Collection and Reporting, [Billing](#) and Parent Portal software vendor for over 7000 therapists and caregivers in the US. Beginning in November, Total ABA customers will have access to a schedule of daily, live, open sessions in which Total ABA's Director of Training will cover specific features and functions of the system, including a Q&A segment.

“These new live training classes are designed to help our customers enhance their initial custom training experience, serve as a method to onboard new employees quickly, and expedite the full adoption of Total ABA's robust portfolio - saving them time and money.” Matt Kennedy, Director of Training.

As part of their implementation package, each new customer will continue to receive private, live training, as well as the best customer support in the industry. The addition of live training webinars demonstrates Total ABA's commitment to clients by providing an extra option for assisting them and their team to exploit Total ABA's extensive capabilities. Covered topics include Registration, Scheduling, Authorizations, Payroll, [Data Collections](#) and Reporting, Staff Management, The [Off-line Application](#) and Parent Portal. All of the live sessions will be recorded and accessible to everyone as part of the Total ABA Wizard Library.
