[Direct](#), one of the UK's fastest growing

Microsoft Partners, has launched a Learning Hub for businesses to learn everything they need to know about adopting Microsoft Cloud.

[The Learning Hub](#) provides free access to educational videos, articles, guides and courses about Microsoft Azure, Microsoft 365 and Cloud Security. All the content is produced by Cloud Direct and made freely available on their Learning Hub.

Topics covered on The Learning Hub include:

- Building a Microsoft Azure Migration Strategy
- The Cloud Adoption Framework
- Zero Trust
- Microsoft Azure Sentinel
- Migrating and Modernising Applications
- Microsoft 365
- Azure Virtual Desktop
- Microsoft Teams and Microsoft Teams Voice

"We want to help businesses make sense of Microsoft Cloud" says Alex Bacon, Cloud Direct's Head of Product and Marketing. "As the cloud market matures there is more innovation for businesses to consider. We want to remove the complexity of adopting Microsoft Cloud and help people understand what is possible."

The Learning Hub provides on-demand content as well as offering free subscription email courses that drip-feed content into people's inboxes in bite-size chunks. People can even opt-in to take a short quiz at the end of each course to collect badges of their learning.

"As an Azure Expert MSP Cloud Direct ensures our customers embrace best practice from Microsoft such as the Well Architected Framework (WAF), Azure Sentinel and Zero Trust security methods. We believe to get the most out of Microsoft Cloud, businesses need to learn about it. We have a 'teach don't sell' methodology and want to make sure business and technical leaders can learn about the emerging trends, benefits and considerations when planning their cloud strategy."
