Important Information

Princeton Fund Advisors, LLC, Bloomberg, Hedgeweek Americas and Northern Lights Distributors, LLC are not affiliated. The Hedgeweek Americas Awards follow a clear and transparent process. For the fund manager categories, the pre-selected three fund shortlists are based on data provided by Bloomberg, analyzing annualized performance by Americas-based funds in their respective categories over a 12-month period from June 1, 2020 to May 31, 2021. The Liquid Alternative manager award categories include North American and South American-based single-manager funds employing a hedge-fund-like strategy outside of the traditional hedge fund structure with a track record of more than 3 years and over \$50 million in AUM. Among the three shortlisted funds in each category, voting for the eventual winners is then conducted via an extensive online poll of the Hedgeweek readership carried out over a period of several weeks. In total there were 41,227 votes cast, with 44% of those coming from Managers, 20% Investors and 36% from Service Providers. There was no cost to the Princeton Premium Fund or Princeton Fund Advisors, LLC for winning this award.
