

LocalBitcoins Launches New Mobile App

The popular Bitcoin trading app and wallet has been released for Android devices.

HELSINKI, UUSIMAA, FINLAND, October 25, 2021 /EINPresswire.com/ -- Today, [LocalBitcoins](#), the world's leading peer-to-peer Bitcoin marketplace has announced the launch of its new mobile application, available for [Android](#) users. The application is available worldwide and has already been downloaded by thousands of LocalBitcoins customers.

"During 2020 LocalBitcoins welcomed 1.7 million new customers from 189 countries - most using mobile devices", shared Jukka Blomberg, LocalBitcoins' Chief Marketing Officer. "Our new mobile app shows our commitment to our global userbase and enforces LocalBitcoins' founding idea of Bringing Bitcoin Everywhere."

The LocalBitcoins Mobile App is here.

Key features on the LocalBitcoins app include:

Buy and sell Bitcoin everywhere in an easy, fast and secure way

Over 190 countries supported

Almost all global currencies supported

Over 100 different payment methods supported

Bitcoin wallet free of charge

High security along with biometric and two-factor authentication

Low fees: No deposit fees, no transaction fees between users. A 1% escrow fee from advertisers and a withdrawal fee always based on Bitcoin blockchain fees.

Fast and localized customer support: 24/7 customer support in 10+ languages

"Bringing Bitcoin Everywhere is all about inclusion and accessibility. We are continuously listening to the needs of our customers worldwide and constantly aiming to improve and evolve our service to fulfil those. Many of our customers had been hoping for a mobile app as an option

and as a result, we developed one”
continues Jukka Blomberg.

Efforts are now focused on releasing
the app for iOS devices, with further
updates to follow.
