The entire process of gift card sales and redemption is handled by MyTipeLife.com advanced technology.

When a customer comes to redeem a gift card, employees will scan the QR code on the card to redeem it. Profits and purchases can be tracked on MyTipLife.com.

Restaurant owners create funding campaigns for a one time fee of \$295. This purchase price includes one year of membership with MyTipLife, \$295 in local advertising to attract new customers, and placement on the Founders Wall.
