DEPTFORD, NJ, USA, October 22, 2021 /EINPresswire.com/ -- OCTOBER 22nd, 2021 - [Mattress Warehouse](https://www.sleephappens.com) (sleephappens.com) is excited to announce the grand opening of its newest location in Deptford, NJ.

The new store, located at 1559 Almonesson Road, is open seven days a week.

The team at the new Deptford Mattress Warehouse location understands that shopping for a mattress can be daunting. With so many choices, it's hard to know where to start. This is where technology comes in. Mattress Warehouse has invested in a patented diagnostic sleep system called bedMATCH[®]. Going through the bedMATCH[®] process is as simple as lying on the bedMATCH[®] test mattress, which includes sensors and diagnostic technology to analyze your body. In only three minutes, the system then provides a list of recommended mattresses for your individual sleep needs.

"Customers can expect to receive the ultimate shopping experience," said John Olivari, regional manager for Mattress Warehouse. "They will receive personal service, and we will find a solution to their sleeping needs."

While many retailers are facing supply chain issues and significant delivery delays, Mattress Warehouse is confident in their inventory levels, offering next-day delivery to their customers.

Mattress Warehouse stores carry the latest mattress models from top brands such as Aireloom, Beautyrest, Cheswick Manor, Casper, Nectar, Kingsdown, TEMPUR-Pedic, Serta, Sealy, and more. Each store also carries a wide range of sleep accessories, pillows, sheets, and protectors from Bedgear, Sealy, and others.

Mattress Warehouse of Deptford is located near Barnes and Noble and Olive Garden.
