variety of binding options, with artwork and text reflecting the customers message. Attracting an audience as early as 18 months to age 90+ is the company's focus. As a member of the Promotional Products Industry the company is gaining widespread attention due their quality and ability to address any companies needs. One advertising advantage and differential of the industry is how the company offers a standard imprint with complimentary full color front and back covers on each book. Included with their aggressive pricing is the inside front and back covers for advertisement as a standard product offering. A high quality impressive company

standard, they are changing the industry. As an added choice the company offers full customized coloring books, as to totally represent a customers goals and messaging.

Pricing on the coloring book products vary, from as low as [\\$0.28 cents for a 16 page book](#). With smaller quantity orders beginning at only \$0.82 cents per book. The company also offers, private labeling, place-mats, cards and graphic and art services. "Our commitment is to help all companies diversify their marketing and sales strategies through products we design for their industry," stated COO Ken Rich.

If you need a coloring book or crayons, just visit [www.ColoringBook.com](http://www.ColoringBook.com) or [www.ColoringBooks.com](http://www.ColoringBooks.com) and they will help you.
