"I'm super excited to announce the release of my new single 'Always Old Friends,'" said Dana Cooper, Independent Artist. "Haven't we all met a complete stranger and felt an immediate kinship as if we had been friends all our lives? And haven't most of us lost such a friend only to carry their memory through the rest of our days? Every time I sing this song I think of the enormous loss suffered all around this world in the last year and a half. All those friends waiting for us where the song never ends."

As a special honor, my 'Old Friend' Lyle Lovett has invited me to be a guest on his online show 'In Conversation and Song'... actually, that's tonight! I hope you all can join us to celebrate the global release of my new single. 'Always Old Friends'."
