

POND mobile Offers Updated Consumer Plans

New POND mobile rate plans will give you game-changing options for global connectivity.

EDISON, NEW JERSEY, USA, October 22, 2021 /EINPresswire.com/ -- Today POND mobile announced new [World Phone plans](#) and Global Data plans. Each plan now includes Unlimited data in over 210 countries and destinations around the world. [Options for high-speed data](#) start at 1 GB and go up to Unlimited. All World Phone plans also include Unlimited usage in the United States on America's largest 5G network.

“COVID has had an unprecedented impact on business travel and travel in general. With more and more countries reopening their borders, we wanted to provide customers with greater access and fewer restrictions. With this in mind, we are excited to launch our new World Phone plans”, says Igor Kamenetsky, Chief Sales & Marketing Officer at POND mobile.

“

...we wanted to provide customers with greater access and fewer restrictions.”
