“

During these last days with this Coronavirus and uncertainty, people are looking for the Truth in every situation and what the Lord's will is for our lives especially considering His Word.”

Jonathan Kithcart

[Without the Tithe](#)”: a fascinating account that talks about the tithing system of the Christian Church where tithe teachers are persuading Christians to tithe to the Church through their false teachings. The book also shows a shocking event about tainted freedom with what the Church gives to the future Christian generation when this so-called diabolical “Tithing system” continues. “Paul: A Master Builder Without the Tithe” is the creation of published author [Jonathan Kithcart](#), an author who loves to read, play basketball, and chess. Kithcart is a writer who also has a heart for music.

Kithcart writes, “This book is mainly about the so-called ‘Tithing System’ within the Church of Jesus Christ and the Ten Pastors that were asked this one heart-searching questions i.e. concerning, Paul this wise master builder of the Gospel to the gentiles: Did the Apostle Paul Teach Tithing to the Church?? And their response and or lack thereof. You will surely be shocked with amazement at their lack of understanding and knowledge concerning what they are teaching the saints of the new covenant that was purchased with the blood of the Lamb of God, and the freedom that we have to give without percentages is tainted with this heresy in the Church today.”

Published by [Book Vine Press](#), Kithcart's new book serves as an awakening reminder to all Christian readers that they should break the bad system of their Church for them to be able to free from the false teaching these tithe teachers are telling them.

Through this book, the author wants the readers to know and realize that the apostle Paul has instructed the Galatians, “Stand fast therefore in the liberty by which Christ has made us free,

and do not be entangled again with a yoke of bondage. (Gal.5:1)”.
