FINDING AN 'ABOGADO DE ACCIDENTES' IN BROWNSVILLE

Here is background on this release. Many residents in Brownsville and throughout the Rio Grande Valley (RGV) speak Spanish as their first language. They may be recent immigrants or just folks who are understandably proud about their Mexican heritage. Indeed, many residents are not just from Mexico but from other places in Central and South America. But like everyone in the Rio Grande Valley, they depend on the automobile. Unfortunately, accidents happen. Thus if a person is in an injury accident they understandably want a legal team that can make the process easy for them. One factor is the language ability of attorneys and staff. For these reasons, the Villarreal Law Firm is proud to announce newly updated Spanish-language content on its website. In addition, persons in McAllen Texas can visit the McAllen attorney microsite at <https://jvlawfirmmcallen.com/>.
