"[Jaw surgery](#) isn't always a choice, though in some cases there is a cosmetic component. Whether it's a long-term congenital abnormality or from a traumatic event, there is a time when it needs to be addressed quickly," explained Dr. Alex Rabinovich, head of Oral and Maxillofacial Surgery Center in San Francisco. "When it comes to finances, my team has several ways to ease the 'financial pain' that include insurance and payment options."
