As the novel coronavirus (COVID-19) crisis takes over the world, we are continuously tracking the changes in the markets, as well as the purchase behaviours of the consumers globally and our estimates about the latest market trends and forecasts are being done after considering the impact of this pandemic.

Market Trends:

The increasing incidences and diagnosis of chronic diseases necessitating advanced diagnostics and treatment are primarily driving the biologics market. Besides this, government bodies of

various countries are introducing initiatives to promote the healthcare sector and ensure the availability of biologics with the onset of the coronavirus disease (COVID-19), which is further propelling the market growth. Moreover, scientists and researchers are extensively investigating species and expression systems to improve the productivity of biological products. Additionally, numerous pharmaceutical companies are undertaking research and development (R&D) activities to enhance the efficacy of oral products for rheumatoid arthritis and Crohn's disease, which is expected to fuel the biologics market in the coming years.

Competitive Landscape with Key players:

The report has also analysed the competitive landscape of the market with some of the key players being.

AbbVie Inc.
Amgen Inc.
AstraZeneca plc
Hoffmann-La Roche Ltd
GlaxoSmithKline plc
Johnson & Johnson
Merck KGaA
Novartis AG
Pfizer Inc.
Sanofi

Biologics Market Segmentation:

Our report has categorized the market based on region, source, product, disease and manufacturing.

Breakup by Source:

Microbial
Mammalian
Others

Breakup by Product:

Monoclonal Antibodies
Vaccines
Recombinant Proteins
Antisense, RNAi and Molecular Therapy

Others

Breakup by Disease:

Oncology

Immunological Disorders

Cardiovascular Disorders

Hematological Disorders

Others

Breakup by Manufacturing:

Outsourced

In-House

Breakup by Region:

North America (United States, Canada)

Europe (Germany, France, United Kingdom, Italy, Spain, Others)

Asia Pacific (China, Japan, India, Australia, Indonesia, Korea, Others)

Latin America (Brazil, Mexico, Others)

Middle East and Africa (United Arab Emirates, Saudi Arabia, Qatar, Iraq, Other)

Key highlights of the report:

Market Performance (2015-2020)

Market Outlook (2021-2026)

Porter's Five Forces Analysis

Market Drivers and Success Factors

SWOT Analysis

Value Chain

Comprehensive Mapping of the Competitive Landscape

We are updating our reports, If you want latest primary and secondary data (2021-2026) with Cost Module, Business Strategy, Competitive landscape, etc. Click request free sample report, the report will be delivered to you in PDF format via email within 24 to 48 hours after the payment confirmation.

About Us

IMARC Group is a leading market research company that offers management strategy and market research worldwide. We partner with clients in all sectors and regions to identify their highest-value opportunities, address their most critical challenges, and transform their

businesses.

IMARC's information products include major market, scientific, economic and technological developments for business leaders in pharmaceutical, industrial, and high technology organizations. Market forecasts and industry analysis for biotechnology, advanced materials, pharmaceuticals, food and beverage, travel and tourism, nanotechnology and novel processing methods are at the top of the company's expertise.
