A day of inspiration, mindfulness, and yoga to raise funds to support more than 2400 women and children with Yoga Gives Back programs of empowerment in India

LOS ANGELES, CALIFORNIA, UNITED STATES, October 24, 2021 /EINPresswire.com/ -- Los Angeles, CA - [Yoga Gives Back](#) (YGB) is pleased to announce its Annual Global Gala will be held virtually, worldwide on November 13, 2021. The YGB Annual Global Gala is an event like no other and provides a global, virtual community the opportunity to come together for a day of inspiration, mindfulness, and yoga to raise funds which support more than 2,400 women and children with YGB's programs of empowerment in India.

The featured event of the YGB Annual Global Gala is the Live "Namaste Award Presentation" to Dr. Muhammad Yunus, Nobel Peace Laureate. Dr. Yunus is considered both the father of micro credit and of social business. His work inspired the formation of YGB and its global mission 14 years ago.

Other signature events of the YGB Annual Global Gala include Yoga sessions by top global teachers Elena Brower, Kia Miller, and Kino MacGregor, among others; and several live original programs including a special conference "Power of Sound" with Grammy nominated artist Belinda Carlisle, who will be joined in the presentation by C.C. White, Dena Kingsberg and Nina Rao.

Dr. Yunus inspired the birth of YGB fourteen years ago with his philosophy and microcredit revolution. Today, we are funding nearly 550 mothers in India with our micro loan program. Our Sister Aid program continues to grow every year thanks to your support.

A live award presentation for the Ambassador of the Year honor will also be held, with awards being given to YGB Ambassadors Daphne Tse and Jocelyn Solomon.

This year's event partners and sponsors are reflective of the long-standing dedication and commitment many companies and organizations have shown to the YGB mission.
