

Document Management Market 2028 - Business Scenario along with Key players - IBM, Microsoft, Dell, Oracle

The rising adoption of cloud-based document management services is propelling the growth of the document management market.

PORTLAND, PORTLAND, OR, UNITED STATE, October 26, 2021

/EINPresswire.com/ -- Emergence of paperless offices and the need for increased efficiency drive the market growth. In addition, high requirement for digitalization to save space fuels the growth further. However, the implementation cost of document management system (DMS) and concerns related to data security restrain the market. The adoption of cloud-based technology and mobile device integration are opportunistic for the [document management market](#).
