Anna provides it all as if you were in the saddle along for the journey. Her rare books bring readers joy from nearly every genre they can appreciate. She exuberantly brings the image and sentiments of the west to full life throughout the storyline. Yet, at the core of Judd's work, is an Appaloosa stallion who appears in all her westerns. Haystack fills children's minds with wonder as he interacts with Marshal Spur and the Outrider Gang, to the mild, minored young steed who brings Adam to new levels of learning in his life. Then he is brilliantly portrayed as a beautiful Appaloosa stallion in 'The Broncobusters' as Cash.
