excitement of wheelchair football,” said Kolton Kincaid, Midwest Adaptive Sports board member

The USAWFL is made possible thanks to generous support from the NFL-Bob Woodruff Foundation Salute to Service partnership “Healthy Lifestyles and Creating Community” grant. In addition to supporting the USAWFL’s competitive teams, the grant provides opportunities for grassroots growth of the sport through coaching education and learn-to-play clinics.

Founded with four teams in Chicago, Los Angeles, Kansas City, and Phoenix, in 2019, the USAWFL’s growth in 2021 expanded programming to teams in Birmingham, Alabama, Buffalo, New York, Cleveland, Ohio, Tampa, Florida, and New Orleans, Louisiana.

More information about the league and opportunities to get involved can be found at [usawfl.org](http://usawfl.org).
