

# Citizant Wins \$20.7M Task Order for U.S. Air Force Agile Maintenance Support

*Citizant's 2nd SBEAS task order win provides High-Availability Sustainment for the mission-critical Base Maintenance Family of Services*

CHANTILLY, VA, USA, October 27, 2021 /EINPresswire.com/ -- [Citizant](#), Inc., an [SBEAS](#) prime contractor known for its High Availability Service Delivery Model, has been awarded a \$20.7 million task order from the U.S. Air Force to provide Agile Subject Matter Expertise for IT sustainment and support for the Base Maintenance (BMx) Family of Systems (FoS).

The 5-year task order will support the Air Force Enterprise Logistics Systems (HI4) Maintenance and Installations (HIM) portfolio. The task order was issued under Citizant's Small Business Enterprise Applications Solutions (SBEAS) IDIQ contract by the Air Force Life Cycle Management Center (AFLCMC) Program Executive Office (PEO) [Business Enterprise Systems](#) (BES) at Gunter Air Force Base in Montgomery, Ala.

BMx FoS is a portfolio of systems that provides readiness and operations support of aircraft status and availability worldwide. Citizant will support critical legacy systems, generate modernization roadmaps, and provide functional expertise for BMx FoS solutions in multi-cloud application hosting environments, including Microsoft Azure and AWS Cloud One.

Citizant: IT & Business Modernization Solution for Federal Agencies

Citizant is honored to work with the Air Force HI4 to provide high-quality Agile sustainment services to ensure the operational availability of the BMx FoS portfolio."

*Michael Barnes, VP of DoD Programs*

"Citizant is honored to work with the Air Force HI4 to provide high-quality Agile sustainment services to ensure the operational availability of the BMx FoS portfolio," said Michael Barnes, Vice President of DoD Programs at Citizant. "Our unique High Availability Service Delivery Model offers unrivaled sustainment and modernization expertise. This assures readiness and operations support of aircraft status and availability and support equipment maintenance activities at worldwide operating bases, Active-Duty Air Force, and Air National Guard and Air Force Reserves sites."

The AF BMx FoS Product Line includes Integrated Maintenance Data System (IMDS) Central Database (CDB), IMDS Web Services (WS), replacement of the Computer Software Configuration System (CSCS), Enhanced Maintenance Operations Center (EMOC), Maintenance Scheduling Module (MSM), Training Business Area (TBA), and AF Facilities and Equipment Maintenance (FEM).

Citizant and its partners have experience and expertise across all Air Force Major Commands and cover all 10 task areas on the SBEAS contract. Citizant will leverage its quality certifications including ISO 9001, ISO 20000, ISO 27001, CMMI-SVC and CMMI DEV Maturity Level 3, and its ISACA-Licensed CMMI Partner status to provide the Air Force with high-levels of service quality, continuous process improvement, and data-driven results. Citizant has used its expertise in FISMA and NIST 800-53 to develop a cybersecurity hygiene assessment tool that helps other small federal contractors prepare for the emerging Cybersecurity Maturity Model Certification (CMMC) standards.
