

# Exlites Holdings International Inc. Announces Progress for the Patented Electric Vehicle Range extender

TAMPA, FLORIDA, UNITED STATES, October 28, 2021 /EINPresswire.com/ -- [Exlites Holdings International Inc.](https://www.exlitesholdings.us) (OTC PINK: EXHI), an innovative company focused on green energy, medical, consumer health products, and consumer products, today announced it has completed its initial testing and the company is in the process of installing the patented unit on a popular electric vehicle.

"We have diligently been working and refining the patented unit. We have established baseline that shows the charging capabilities significantly extend the range of today's electric vehicles. Our patented unit is an add on aftermarket part. This is a big breakthrough for the company and we look forward to having success in this market." Stated Mark Julian, President of EXHI.
