

FIN Compliance partners with Glacier Cybersecurity to boost investment manager data security and monitoring practices

The collaboration provides support for firms with its technology onboarding, data security, or digital transformation processes.

WALNUT CREEK, CA, UNITED STATES,
October 27, 2021 /EINPresswire.com/ -We are pleased to announce our
collaboration with Glacier
Cybersecurity to plan, build and
implement outsourced data security
support into their SEC, state, and
FINRA compliance programs.

Among the services to include: Risk Assessment, audit preparation, data security training, data

With brokerages, like
Charles Schwab, requiring
investment advisors (who
use its custodial platform) to
have cybersecurity
insurance, we thought this
was a good time to bring on
additional expertise"
Founder, Cory Roberson

Policy Dev, Dark Web Monitoring, Vendor Due Diligence, and Digital Asset Security frameworks.

"With brokerages, like Charles Schwab, requiring investment advisors (who use its custodial platform) to have cybersecurity insurance, we thought this was a good time to bring on additional expertise" - Cory Roberson, Founder of FIN Compliance.

About Glacier Cybersecurity: For over a decade, our team has worked with and guided hundreds of businesses in over twenty countries with cybersecurity services.

"While we've partnered with billion-dollar organizations, we've chosen to develop a product line that really focuses on the SMB space. We're intimately familiar with this market and we've seen first-hand how underserved their cybersecurity needs are. All companies deserve to have cybersecurity leadership, no matter how large they are." * Jeff Wilson, Founder of Glacier

Cybersecurity.

Our goal is simple: We want to help you understand your risk, how your company compares to cybersecurity best practices and assist in the development of a comprehensive roadmap that fits your business's risk tolerance, budget and vision.

Glacier was founded by Jeff Wilson, a Certified Information Systems Security Professional (CISSP), and Certified Chief Information Security Officer (CCISO)
