“We are thankful for our patients who have stuck by our side over the years, and we look forward to introducing new patients to Center Valley Dental,” he says.

The [Center Valley dentist](#) offers general and cosmetic dentistry, including [CEREC crowns](#), [dental implants](#), veneers, whitening, gum augmentation, and more. Dental implants are the practice’s most popular service. A dental implant replaces a missing tooth root with an artificial tooth that is long-lasting and natural-looking.

“A dental implant can completely transform your smile and, as a result, your confidence,” adds Dr. Lang.

Center Valley Dental also offers same-day CEREC Crowns, color-matched to a patient’s existing teeth. Crowns can help change the shape, size, and color of a patient’s smile.

Meanwhile, Center Valley Dental will continue to offer general dentistry like regular cleanings for patients of all ages.
