Really Big Coloring Books®, Inc. |
ColoringBook.com helps with vaccination
explanation, the viruses impact including
references for more information.

ST. LOUIS, MISSOURI, USA, October 29,
2021 /EINPresswire.com/ --

ColoringBook.com releases updated
[Vaccination Coloring Books for
families, educators, kids and adults,](#)

not used as a substitute for medical
advice or specific healthcare, although
the book describes the basics of

getting a vaccination and why its important. Really Big Coloring Books®, Inc. was the first
company in North America to write, edit, draw and manufacture a coloring - activity book on the
coronavirus. The company helped with explanation of the viruses impact with references on how

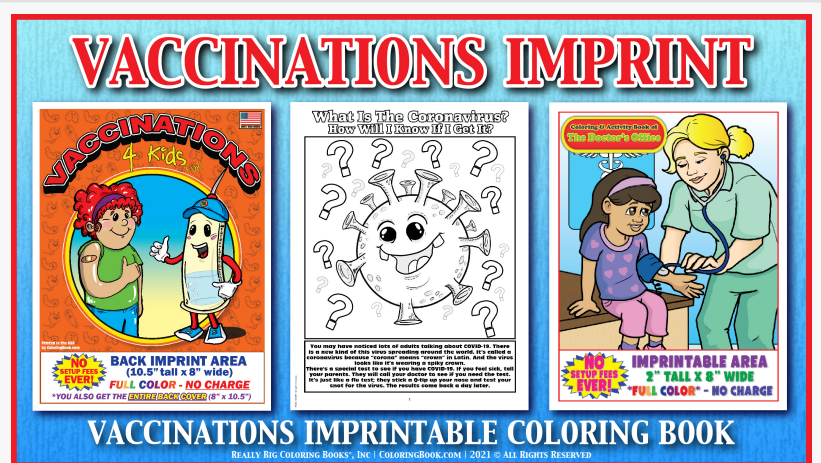

“

Helping provide products
that direct consumers to the
authoritative health
agencies is a good thing for
our readers and customers.
Their feedback is important
and valuable.”

N. Wayne Bell

the value of good health at an early age is part of the messaging in this book. Including
information that helps a child understand a trip to the doctor office can be fun and they should
not be afraid of the doctor.

[Really Big Coloring Books®, Inc. | ColoringBook.com](#) complies with all federal civil rights laws and

Covid 19 resources and coloring books

to deal with its effects. Sending consumers to qualified
reference points such as the National Institute of Health
(NIH) the [Centers for Disease Control and Prevention](#) and
local health agencies. While washing hands, mask wearing,
getting vaccinated is advisable, seeking qualified health
agencies for instruction is the best options for all concerns.

Their coloring books are used by business, educators,
health agencies, state and local agencies in helping to
educate the public at large. Helping children to understand

does not discriminate on the basis of race, color, national origin, age, disability or sex. The company is a part of SAM, The System for Award Management of the US Government and works regularly with Federal, State and Local Agencies, including departments of Education and the Office of the Chief of Protocol.
